To the Staff & Members of Local 399:

I want to say thank you to the current and previous administration for allowing me to be part of the Staff at Local 399 for the past 9 years. It has been an honor and privilege to work at Local 399. I have decided to take a new adventure and leave the Local with the support of my wife, family, and co-workers. This was not an easy decision for me for I love Local 399 and everything that goes along with it.

I would first like to thank Leo T. Reed. He brought me on his staff and gave me the opportunity at the callboard. I can't thank him enough for giving me the chance to work at Local 399. I will be eternally grateful. I would also like to thank all of the staff and business agents under Leo's administration that I had the pleasure of working with.

I would also like to thank Steve Dayan. I have worked with Steve for many years and appreciate his passion and willingness to make Local 399 better. I also wanted to thank him for allowing me to stay on his staff during the transition in our Local. I want to say that I support him and look forward to his leadership in the future of Local 399. To the current staff and business agents even though our time together was short I have enjoyed my time with you all.

I would also personally like to thank a few retirees. First, I would again like to thank Leo Reed for all he has done. I would also like to say thank you to Randy Peterson, Mel Cavett, Tom Thomas, & Greg "Wally" Wallace.

To all the members of Local 399 I would like to say thank you for allowing me to serve you in the Callboard. I learned so much from you all and am grateful for all the experiences I have had at Local 399.

Thank you, it's been an honor.

Fraternally,

Randy Rodriguez
